

Volunteers Needed for Alanon Information Services (AIS)

Did you know that AIS:

- 1. Maintains the website for Westchester/ Putnam counties. Without the website people would not be aware of Anniversaries and other events throughout Westchester and Putnam counties, nor would they know about current updates for meetings.*
- 2. Maintains the phone line. Volunteers help and guide newcomers or anyone else who needs information about Al-Anon.*
- 3. Keeps the meeting list up to date.*
- 4. Provides information through their quarterly newsletter.*
- 5. Provides outreach to the community.*

AIS is in need of several more volunteers in order to continue operating beyond the bare minimum.

Are you interested in making new friends and enriching your program?
then come join the AIS team.

Jobs can be held by a single person or shared. Meetings are 4x a year.

We have several vacant positions right now, and by the end of the year, we will have completed the current 3-year service rotation and need to fill all positions

Check the Service page or the event page for the next meeting from 7:15-9:00 at Emanuel Lutheran Church in Pleasantville.

Please attend to learn about AIS, share your ideas and maybe be inspired to volunteer.

For more information contact info@westchesterputnamalanon.org or call 914-946-1748
